

I Samuel 17 David and Goliath

Mr. Tim will be sitting in a chair outside next to the fake rock by the dog house. Will would be sitting on the fake rock. The camera will be on a tripod.

Mr. Tim – Welcome to Quarantine Bible Study. Today I am interviewing a famous Bible character named David. In I Samuel chapter 17 the story is told about a boy who is the youngest son of Jesse. We are going to speak with him about his confidence to take on the champion warrior for the Philistines named Goliath.

Mr. Tim – Good Morning David.

Will – Good morning Mr. Tim.

Mr. Tim – Thank you for agreeing to sit down for this Bible character interview.

Will – You are more than welcome.

Mr. Tim – As I understand it, you have volunteered to enter into battle against Goliath, the 9’ tall heavily armored warrior representing the Philistines.

Will – Yes, I spoke to King Saul and told him I would fight him.

Mr. Tim – Can you share with us why a young and ruddy shepherd boy would do this?

Will – Yes Sir. The Philistines have defied the armies of the living God. I have saved sheep from lions and bear. I have killed both. I know that the Lord will be with me. I therefore have no fear.

Mr. Tim – I understand that Saul offered you his armor and sword and you decided not to use them.

Will – That is correct. I knew that my sling shot was a great weapon and that I could whip the stone so powerfully that it would stun even the mightiest of warriors. That is exactly what happened.

Mr. Tim – Well, once you stunned Goliath, you went up an took his sword and cut off his head. The Philistines ran and the Israelites pursued them and defeated them in battle.

Will – Yes. You see, when you believe in God with all your heart, mind and soul that he will be with you no matter how difficult the situation in life, you will be fine. We just have to trust in the Lord.

Mr. Tim – Thank you for sharing your incredible story with us today.
