Living to Bless the World has been our focus this week in Living God's Mission. Hopefully you have found many ways to creatively bless others – and maybe even created some ways of your own. If you have, please let us know. You can write them down and drop them in a box in the foyer, or email us. We'd like to expand our list of great ideas for blessing others. Next week we will practice living the King's Hospitality. Hospitality naturally flows from recognizing the Reign of Christ and developing habits of blessing others. Hospitality is the next step because rather than blessing others on the outside, it involves the active practice of making outsiders insiders, it's blessing the world – a little closer to home. You still have today and tomorrow to finish your scavenger hunt list before turning it in on Sunday. I can't wait to see and hear how many people in Bay County have been blessed in just one week by members of our congregation! Keep it up! This has been a message of the Church of Christ at Jenks Ave. – Developing Lifestyles of a church of Christ on Mission. – God bless you and have a great weekend!
