

Tues day, February 4

Good morning. Living the Reign of Christ dominates the book of Revelation. Revelation is a letter to churches persecuted for their faith, feeling defeated by the evil empire where they lived. How could God expect them to be on mission under these difficult circumstances!? The answer was to start with a clear picture of Jesus on the throne.

In Rev. 5:9-10, Millions of heavenly beings sang at the top of their voices, “You are worthy...because you were slain and with your blood you purchased men for God from every tribe, language, people and nation. You have made them to be a kingdom and priests to serve our God, and they will reign on the earth.”

God’s mission to every tribe, language, people and nation charges forward when Christians see Jesus clearly on his throne. His reign means that right now, His church is a kingdom of priests – serving our God – and that we reign with him on earth! Fellow citizens, may we keep Jesus on the throne of our hearts and lives. This has been a message of the Church of Christ at Jenks Ave. – Developing Lifestyles of a church of Christ on Mission. – God bless you and have a great day!
