Good morning ambassadors. Living the Reign of Christ involves every area of our lives. It's like being American. We are Americans at work, school, or even traveling overseas. Likewise, we are not just Jesus's disciples at church on Sunday, but also on Saturday when we are watching a game, or out to eat with friends. Living Christ's Reign means the language we use, the jokes we retell, movies we watch, websites we click on, where we spend our time and money – how we treat other drivers on the road, the cashier at Walmart and the waitress at Chilies – are all influenced by our primary identity as Kingdom people. This week, we've practiced living the Reign of Christ in pursuit of Living God's Mission. Next week we will practice Living to Bless the World. However, we can only bless the world for Christ if we continue to Live under the Reign of Christ. May Christ continue to reign, not just some of the time – but in every area of our lives. This has been a message of the Church of Christ at Jenks Ave. – Developing Lifestyles of a church of Christ on Mission. – God bless you and have a great weekend!
