

THE ANSWERS TO THE TEST

How many of you remember open-book quizzes and open-book tests? Now I know some professors took advantage of this concept and would throw the book at you so you didn't have enough time to make sure all of your answers were correct, but every now and again, you would have the professor that was not trying to throw you a curve-ball or trick you in any way. It was simply an exercise to see if you had studied during the semester.

The most important test for any human being is the spiritual test that has been gifted to us through Jesus and His willingness to please the Father. He came to this earth, put on the form of a man, and thought it not robbery to do so, Phil 2:5-8. The Lord loved the world so much that He, unlike a professor who was trying to trick students or make the open-book test so hard that the student would not be able to excel, provided mankind all of the answers, John 12:48. Just as it is during secular open-book tests, we have choices to make during the spiritual open-book test. During the spiritual open-book test, when examination time comes, there will be no excuses, no make-up tests and no do-overs. Scriptures tell us that it is appointed unto man once to die and then the judgement, John 9:27. How we live will be the answers that are being recorded. Judgement will be the grading of the spiritual final exam, and everyone will be graded.

All we have to do is to study the answers, apply them to our daily lives and obey His Word. The Lord has left us with a gift that He paid for with His life and His blood. How will you do on the Spiritual open-book test?
